DEPT MR 28522

Dear Mr. Best:

This responds to your Freedom of Information Act (FOIA) request of 20 October 2016 for records relating to former Director of NSA LTG William E. Odom, specifically "personnel documents and materials, including personality files, applications, papers regarding promotions, commendations, or criticisms, as well as security checks and any Inspector General reports relating to LTG Odom." A copy of your request is enclosed.

Your request has been processed under the provisions of the FOIA. Five documents (122 pages) responsive to your request have been reviewed by this Agency as required by the FOIA.

This Agency is authorized by various statutes to protect certain information concerning its activities. We have determined that such information exists throughout these documents. Accordingly, these documents are exempt from disclosure pursuant to the third exemption of the FOIA which provides for the withholding of information specifically protected from disclosure by statute. The specific statute applicable in this case is Section 6, Public Law 86-36 (50 U.S. Code 3605). No portion of the information is reasonably segregable.

In addition, personal information regarding several individuals appears throughout the five documents. Therefore, they are also withheld in accordance with 5 U.S.C. 552 (b)(6). This exemption protects from disclosure information that would constitute a clearly unwarranted invasion of personal privacy. In balancing the public interest for the information you request against the privacy interests involved, we have determined that the privacy interests sufficiently satisfy the requirements for the application of the (b)(6) exemption.

You may appeal this decision. If you decide to appeal, you should do so in the manner outlined below. NSA will endeavor to respond within 20 working days of receiving any appeal, absent any unusual circumstances.

- The appeal must be sent via U.S. postal mail, fax, or electronic delivery (e-mail) and addressed to:

To Whom It May Concern:

This is a request under the Freedom of Information Act. I hereby request the following records:

William Eldridge Odom (June 23, 1932 - May 30, 2008) was a retired U.S. Army 3-star general, and former Director of the NSA under President Ronald Reagan, which culminated a 31-year career in military intelligence, mainly specializing in matters relating to the Soviet Union. After his retirement from the military, he became a think tank policy expert and a university professor and became known for his outspoken criticism of the Iraq War and warrantless wiretapping of American citizens. He died of an apparent heart attack at his vacation home in Lincoln, Vermont. His death has been widely reported. <http://www.washingtonpost.com/wp-dyn/content/article/2008/05/31/AR2008053102193.html>

I am a member of the news media and request classification as such. I have previously written about the Bureau for AND Magazine, MuckRock and Glomar Disclosure. My articles have been widely read, with some reaching over 100,000 readers. As such, as I have a reasonable expectation of publication and my editorial and writing skills are well established.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires.
